

The quality policy is the framework for determining and reviewing quality objectives. The policy is carried out as part of regular annual management reviews. We will fulfill the quality policy by achieving the following long-term objectives:

- 1) To ensure that the system as per latest ISO 9001-2008 standard is implemented and maintained.
- 2) To ensure that quality products conforming to agreed specifications reach the customer.
- 3) To serve customer's emergency needs.
- 4) To reduce cost without compromising on quality.
- 5) To ensure that all statutory and regulatory requirements of customer are fulfilled.

Our manufacturing facilities have been awarded the **ISO 9001-2008 Certification**, which embody a commitment to on-going quality improvements and perseverance to higher levels of performance.
